RE: Partial Manual Count after the November 3, 2020 Uniform Election

Pursuant to Section 127.201(a) of the Texas Election Code (the “Code”), the general custodian of election records in an election in which an electronic voting system is used must conduct a partial manual count.

The partial manual count applies to election day ballots, early voting in-person ballots, and early voting by-mail ballots.

The partial manual count is required for all counties that automatically tabulate their ballots using an optical/digital scanner (DS 450). In Fayette County, the DS 450 is an optical/digital scanner used in the Central Counting Station to scan and tabulate paper ballots.

The precincts identified for the partial manual count are:

- 01 East La Grange
- 11 Winchester
- 20 Hostyn

The partial manual count will be conducted on:
