

Fayette County is seeking applications for a highly experienced Paramedic to serve as the Director of EMS. The director will lead a skilled and efficient staff of EMT and Paramedic professionals that provide an invaluable service to our rural community. The candidate will possess:

- A minimum of 5 years experience in 911 EMS; 10+ years preferred
- Bachelors or Advanced Degree (other advanced experience and certification may be substituted for degree on a case-by-case basis)
- Residency in Fayette County, or be willing to move to Fayette County within 90 days of acceptance of the position
- Exceptional ability to lead a team and oversee budget and expenditures
- A desire to work cooperatively with police, fire departments, and other first responders as part of a total community effort for safety
- Ability to develop special operations and special projects when needed

The EMS director will report to the Chief of Emergency Management. The EMS Director will work under the license of the Fayette County Physician Medical Director.

Qualified applicants can pick up an application at the Fayette County Auditor's Office, 119 W. Colorado St., La Grange, Texas. Completed Applications, along with any resume, must be received by Fayette County Judge's Office no later than June 9, 2020 at 2:00 p.m.
